

The Honorable Michael K. Powell  
Chairman  
Federal Communications Commission  
445 12th Street, S.W.  
Washington, D.C. 20554

Dear Chairman Powell:

I am not in favor of this merger. Creating a broadcast network of this size would be detrimental to competitive pricing, and freedom of expression. With a company in control of such a large portion of TV broadcasting competitors would be squeezed out giving Echo Star too much control over what people can watch and how much it will cost. I do not support this merger.
